End-of-Life Doula Standards & Checklist Guideline

Please complete the following questions:

1. What brings you to this work at this time of your life? (or why have you chosen to be End of Life Doula?)
2. What do you think makes a good Doula?
3. Are there any areas within your training or professional experience where you feel you could benefit from additional knowledge, guidance, or support?

<u>Core Competencies & Services:</u>	Y/N
1. Effective Communication Skills – Practice deep listening, open-ended questioning, and holding space for emotions without judgment.	
2. Advocacy & Empowerment – Support clients in navigating medical and healthcare systems, ensuring their voices are heard.	
3. Understanding of Cultural & Spiritual Diversity – Respect and support diverse traditions, religious beliefs, and cultural practices around death and dying.	
4. Shows initiative - The ability to anticipate what a persons needs might be and prepare accordingly. Know how to seek information for what you don't know.	
5. Compassionate Presence – Leave your problems/issues/thoughts/beliefs at the door. Bring a quiet, calm presence always. Follow the lead of the person and their whanau.	
6. Ongoing Education & Development – Commit to continuous learning in end-of-life care, including staying informed about legal and ethical considerations.	
7. Self-Care & Professional Boundaries – Maintain personal well-being and set healthy emotional boundaries to sustain this work long-term. Know when to step back if your own issues will affect your mahi.	
8. Knowledge of End-of-Life Options – Be well-versed in palliative care, hospice, voluntary assisted dying, and home death options.	
9. Business acumen – Provide a contractual agreement for services up front with Clients, be willing to offer a sliding scale of fees, and invoice in a timely manner.	
10. Networking & Referrals – Connect families with additional support, such as grief counselors, deathcare professionals, or community resources.	

11. Holistic support - emotional, spiritual, cultural, practical and social - during an illness journey towards recovery or death, while helping to the person to live their best life.	
12. Illness journey advocacy and empowerment - Coaching and supporting clients to navigate medical and healthcare systems, physically attending specialist visits where helpful.	
13. Legacy & Life Review – Facilitate storytelling, memory-sharing, letter-writing, or other legacy projects to honour the dying person's life.	
14. Holistic Advance Care Planning – Work with families to create a care plan that aligns with the dying person's values, beliefs, and preferences. Assist clients in discussing and documenting their wishes, including advance directives.	
15. Vigil Planning & Support – Help plan the atmosphere, rituals, and presence for the final days and hours, ensuring a peaceful environment.	
16. Practical Assistance during illness - Be willing to assist with personal cares, and practical tasks if required.	
17. Funeral & Memorial Planning – Help families explore meaningful ways to honour their loved one, including alternative and eco-friendly funeral options.	
18. Body care and After Death care – Be knowledgeable and comfortable assisting families with after-death care, including washing, dressing, and cooling the body.	
19. Grief & Bereavement Awareness – Offer compassionate support and connect to resources for grief, understanding different ways people process loss.	
20. Interdisciplinary Collaboration – Working alongside medical, hospice, iwi/hapū, and community professionals.	
21. Mentorship – Are you willing to mentor other ELDA A members from time to time where appropriate?	

Referees May we contact your referees? Y/N

Please provide two referees who have witnessed your work with the dying where possible, or who have worked alongside you in a related field.
